

Serving Weston and surrounding communities since 1964

Welcome to Your Patient Centered Medical Home!

A Medical Home is a team approach to coordinating health care for you and your family. It includes your child's pediatric care provider, his/her team, and most importantly your child.

About Us:

We are committed to caring for all your child's health care needs and aim to provide care to your children from crib to college. At Weston Pediatric Physicians, we practice according to the guidelines set out by the *American Academy of Pediatrics (AAP)*.

Plan Your Visit:

- ♥ Be an active team player and share how your child is doing. Write down/bring your questions and concerns to your appointments
- ♥ Tell your team about specialists or other health care providers who care for your child. Share test results with your team
- ♥ Tell your team about the medications your child is taking
- ♥ Let your team know if your child has been to the Emergency Room or has been hospitalized
- ♥ Work with your team to create your health care plan, and make sure that you understand how to follow it
- ♥ Always talk openly with your team. If you are having trouble sticking to your health care plan, tell your team about what is not working so you can make changes together as needed

YOUR CHILD IS THE MOST IMPORTANT PERSON ON YOUR HEALTHCARE TEAM!

Call 781-899-4456 for appointments, cancellations, prescription refills, and to contact your health care team.

Hours:

Monday	8am – 8pm
Tuesday	8am – 8pm
Wednesday	8am – 8pm
Thursday	8am – 5pm
Friday	8am – 5pm
Saturday	8am – 12pm

After Hours/Urgent Care:

Call 781-899-4456. Our answering service will contact the physician on call after hours. We also have extended office hours 3 days a week as well as weekend and holiday hours for sick/urgent care visits.

Referrals:

It is very important that your provider coordinate all of your child's health care including referrals to ensure that the most appropriate specialist sees your child and has the medical information they need to care for your child.

Patient Portal:

Non-urgent access to your medical home team, ability to request prescription refills, appointments, and view lab and test results online on our secure portal Patient Gateway, www.patientgateway.org

Our practice provides equal access to all of our patients, regardless of source of payment

If you need health insurance, you can apply through the Massachusetts Health Connector at www.mahealthconnector.org, or contact one of our billing specialists

The American Academy of Pediatrics promotes access to quality Medical Homes for all children and youth
